Beretta is a gorgeous, painted face brindle with beautiful, correct conformation. Like her grand sire Concealed Weapon; she has rolling horns and striking signature color. She passes along her unique painted face to her progeny, plus length to the hip, deep chest and body and clean, underline, feet and udder. This gal is a producer. She's bred back to TTT Ferdinand for a fall 2025 calf. This sire brings Cowboy Chex body, great feet, udder,
