"George" by MC Hangin Tuff and MC Autumn has amazing color and a pedigree to die for. He brings great bloodlines to our herd with a double dose of Cowboy Tuff Chex on both dam and sire side, big body from MC Rozalyn and overall correctness, disposition and horn. His personality and easy-going nature is exactly what we are looking for in our bulls.

**TTT:** 70.0000 on 05/28/2025
